INTERNSHIP

☐Got the Internship Certification in Data Science from Postulate Infotech Private Limited in the duration of 3months

☐Got the Internship Certification in Frontend and Backend Development from a Maniya Kannan Software Developers in the duration of 3 months

PROJECT PROFILE

CREDIT SCORE CLASSIFICATION :

The credit score classification of a person determines the creditworthiness of the person. It helps financial companies determine. We worked on this project to analyze the company's financial credit score for each person by EDA while interning at Postulate Infotech Private Limited. we classify the credit score by using graphical representations, etc.

COLLEGE ALUMNI WEB PORTAL:

Create a version 2 alumni web portal for our college by doing an internship under Maniya Kannan software developers. Here I worked on both frontend and backend development. In the front end developed HTML, CSS, and Bootstrap and made a more efficient user interface than version 1. The backend had been developed using PHP language and for database connectivity MYSQL queries.
